# Welcome to your 2022-23 Team Member Benefits!

Messiah Lifeways is pleased to offer a wide range of benefits to its team members and their families. These company sponsored benefits are an important part of a total compensation package. They represent both a valuable asset to our team members and to their families, and demonstrate an investment by Messiah Lifeways in our team members. We are proud of our compensation benefits program and are committed to continuously improving the plans that make up our benefits offerings.

This guide was created to answer some of the questions you may have about your benefits. Please read it carefully along with any supplemental materials you receive.

If you have any benefits related questions or concerns, please do not hesitate to call Human Resources.

PLEASE NOTE: This booklet provides a summary of the benefits available, but is not your Summary Plan Description (SPD). Messiah Lifeways reserves the right to modify, amend, suspend, or terminate any plan at any time, and for any reason without prior notification. The plans described in this book are governed by insurance contracts and plan documents, which are available for examination upon request. We have attempted to make the explanations of the plans in this booklet as accurate as possible. However, should there be a discrepancy between this booklet and the provisions of the insurance contracts or plan documents, the provisions of the insurance contracts or plan documents will govern. In addition, you should not rely on any oral descriptions of these plans, since the written descriptions in the insurance contracts or plan documents will always govern.

# How to Enroll

## Open Enrollment Period

Messiah Lifeways' annual enrollment period will be held **May 17 through May 31, 2022.**

The 2022-23 open enrollment will be completed in Paycom. All team members must login to the Paycom portal to complete their enrollment elections for 2022-23. Even if you want to continue with your current benefits you need to elect for the 2022-23 plan year. You will be able to update dependents and/or beneficiary information using the Paycom system. Failure to complete your enrollment in Paycom will result in no medical, dental, vision, or FSA benefits for 2022-23.

Social security numbers and birth dates for all dependents and beneficiaries will need to be included at enrollment/change.

## Newly Hired / Eligible Team Members

New hires and newly eligible team members **MUST** complete the enrollment/change in Paycom even if choosing to waive coverage in order to provide beneficiary information for company-paid life insurance. Coverage, if elected, is effective the 1st of the month after completing one full month of employment, provided you enroll online within **30 days of your date of hire.**

**ALL BENEFIT ELIGIBLE TEAM MEMBERS MUST LOGIN TO PAYCOM TO ENROLL, MAKE A CHANGE OR DECLINE BENEFITS FOR 2022-23.**

## What is the first step in completing my enrollment for 2022-23?

You should review this guide to gain a full understanding of the plans being offered.

### How will I enroll in Messiah Lifeways benefits for 2022-23?

- STEP 1** **Log into the Paycom app.** From the Notification Center or from the Benefits section, click the current year's Benefits Enrollment.
- STEP 2** Review initial instructions and click "Start Enrollment." Then, enter your personal information and any dependents or beneficiaries.
- STEP 3** After determining which plan will work for you, choose your coverage level, then select either to enroll or decline.
- STEP 4** To complete enrollment, click "Finalize," then "Sign and Submit"

## Do I need to complete enrollment via Paycom if I do not want to enroll in any of Messiah Lifeways' benefits?

All benefit eligible team members must complete the enrollment process in Paycom. If you do not want Messiah Lifeways' benefits, you will select the "DECLINE" button next to each benefit. You will need to designate a beneficiary in Paycom for your company-paid life insurance if you are eligible for this benefit, if you have not done so already.

## Do I need to complete my enrollment in Paycom if I do not want to make any changes to my current benefits?

Yes you will need to log into Paycom and complete your enrollment elections. Any employee who does complete their enrollment elections in Paycom will have no medical, dental, vision, or FSA coverage.

## If I have a spouse enrolled or will be enrolling a spouse in the medical plan will I need to verify their eligibility to participate?

If your spouse is currently enrolled in benefits, then you will not be required to verify eligibility again for this plan year. If you are enrolling your spouse for the first time, a spousal form will be assigned to you in Paycom that you will need to complete. Failure to complete and submit this form may result in your spouse not being approved for coverage.

## What do I do if my tobacco status has changed?

You will indicate this when you confirm your demographic information in Paycom during the open enrollment process.

## When should I complete my enrollment elections in Paycom so that my requested changes will be processed?

Your Paycom enrollment should be completed between May 17th and May 31st, or within 30 days of becoming eligible for benefits.

# Eligibility

Full-time team members with a schedule of **30 hours per week** are eligible for the benefits described in this guide, unless otherwise stated.

## When Benefits Become Effective

Benefits for most benefit plans are effective the first day of the month after completing their first full month of employment. Part-time, seasonal, temporary, internship, and contracted team members are not eligible to participate.

### Eligible Dependents

Your dependents are eligible to participate in Messiah Lifeways' benefit plans. Your eligible dependents include\*:

- A spouse to whom you are legally married.
- A dependent child under age 26. Coverage will terminate at the end of the month of the dependent's 26th birthday. Coverage may be extended past the age of 26 for disabled dependents. Dependent children include natural, adopted children, and stepchildren.

Coverage for eligible dependents generally begins on the same day your coverage is effective. Completed enrollment serves as a request for coverage and authorizes any payroll deductions necessary to pay for that coverage.

*\*Additional carrier conditions may apply and may vary by state.*

## Working Spouse Coverage

The Messiah Lifeways medical plan will continue to provide primary coverage for your spouse providing:

- Your spouse is not employed.
- Your spouse's employer does not provide a group health plan. You will be asked to provide information on your spouse's employer during the open enrollment process.
- Your spouse is self-employed.

If your spouse is eligible for medical plan coverage under a group plan provided by his or her employer, the Messiah Lifeways' medical plans will not provide medical benefit coverage.

For all benefits you must enroll within 30 days from your date of hire.

## Pre-Tax Benefits: Section 125

Messiah Lifeways' benefit plans utilize Section 125. This enables you to elect to pay premiums for health, dental, vision and flexible spending account coverage on a pre-tax basis. When you use pretax dollars, you will reduce your taxable income and have fewer taxes taken out of your paycheck. Under Section 125, you can actually have more spendable income than if the same deductions were taken on an after tax basis.

**Pre-tax Note:** When you pay for your dependent's benefits on a pre-tax basis you are certifying that the dependent meets the IRS' definition of a dependent. [IRC §§ 152, 21 (b)(1) and 105(b)]. Children/spouses that do not satisfy the IRS' definition will result in a tax liability to you, such as changing that dependent's election to a post-tax election, or receiving imputed income on your W-2 for the dependent's coverage that should not have been taken on a pre-tax basis.

# Benefit Changes

The benefit elections you make during open enrollment or as a new hire will remain in effect for the entire plan year. You will not be able to change or revoke your elections once they have been made unless a life event status change occurs.

For purposes of health, dental, vision and flexible spending accounts, you will be deemed to have a life event status change if:

- your marital status changes through marriage, the death of your spouse, divorce, legal separation, or annulment;
- your number of dependents changes through birth, adoption, placement for adoption, or death of a dependent;
- you, your spouse or dependents terminate or begin employment;
- your dependent is no longer eligible due to attainment of age;
- you, your spouse or dependents experience an increase or reduction in hours of employment (including a switch between part-time and full-time employment, or commencement of or return from an unpaid leave of absence);
- gain or loss of eligibility under a plan offered by your employer or your spouse's employer;
- a change in residence for you, your spouse or your dependent resulting in a gain or loss of eligibility.

In order to be permitted to make a change of election relating to your health, dental or vision coverage due to a life event status change, the change must result in you, your spouse or dependent gaining or losing eligibility for health, dental or vision coverage under this Plan or a plan sponsored by another employer by whom you, your spouse or dependent are employed. The election change must correspond with that gain or loss of eligibility.

You may also be permitted to change your elections for health coverage under the following circumstances:

- a court order requires that your child receive accident or health coverage under this plan or a former spouse's plan;
- you, your spouse or dependent become entitled to Medicare or Medicaid;
- you have a Special Enrollment Right;
- there is a significant change in the cost or coverage for you or your spouse attributable to your spouse's employment.

For purposes of all other benefits under the plan, you will be deemed to have a life event status change if the change is on account of and consistent with a change in status, as determined by the plan administrator, in its discretion, under applicable law and the plan provisions.

 You must notify Human Resources at 717-790-8228 within 30 days from the life event status change in order to make a change in your benefit selections.

# Benefit Changes continued...

Event	Action Required	Results If Action Not Taken
<b>New Hire:</b>	Make elections within 30 days of hire date. Documentation is required.	You and your dependents are not eligible until the next annual Open Enrollment.
<b>Marriage:</b>	Your new spouse must be added to your elections within 30 days of the marriage date. A copy of the marriage certificate must be presented.	Your spouse is not eligible until the next annual Open Enrollment period.
<b>Divorce:</b>	The former spouse must be removed within 30 days of the divorce. Proof of the divorce will be required. A copy of the divorce decree must be presented.	Benefits are not available for the divorced spouse and will be recouped if paid erroneously.
<b>Birth or adoption of a child:</b>	The new dependent must be enrolled in your elections within 30 days of the birth and adoption, even if you already have family coverage. A copy of the birth certificate, footprints, or hospital discharge papers must be presented. Once you receive the child's Social Security Number, be sure to contact Human Resources to update your child's insurance information record.	The new dependent will not be covered on your health insurance until the next annual Open Enrollment period.
<b>Death of a spouse or dependent:</b>	Remove the dependent from your elections within 30 days from the date of death. Death certificate must be presented.	You could pay a higher premium than required and you may be overpaying for coverage.
<b>Your spouse gains or loses employment that provides health benefits:</b>	Add or drop health benefits from your elections within 30 days of the event date. A letter from the employer or insurance company must be presented.	You need to wait until the next annual Open Enrollment period to make any change.
<b>Loss of coverage with a spouse:</b>	Change your elections within 30 days from the loss of coverage. A letter from the employer must be provided.	You will be unable to enroll in the benefits until the next annual Open Enrollment period.
<b>Changing from full-time to part-time employment (without benefits) or from part-time to full-time (with benefits):</b>	Change your elections within 30 days from the employment status change in order to receive COBRA information or to enroll in benefits as a full-time team member. Documentation from the employer must be provided.	Benefits may not be available to you or your dependents if you wait to enroll in COBRA. Full-time team members will have to wait until the annual Open Enrollment period.

## If you Experience a Life Event Status Change

You will need to add your qualifying event in Paycom's Employee Self Service under the Benefits Section. Contact Human Resources if you have any questions at 717-790-8228 or at [HumanResources@messiahlifeways.org](mailto:HumanResources@messiahlifeways.org).

**You must update your elections within 30 days** of your life event status change or you will not be able to make changes until the next annual open enrollment. If adding or removing dependents, you are required to submit specific documents to Human Resources. The change will be inactive until proper documentation is received and approved. For assistance processing life event status changes, you can contact Human Resources at 717-790-8228 or at [HumanResouces@MessiahLifeways.org](mailto:HumanResouces@MessiahLifeways.org).

# Medical Coverage

Messiah Lifeways is proud to offer you a choice between two different medical plans. Coverage under all plans includes comprehensive medical care and prescription drug coverage. The plans also offer many resources and tools to help you maintain a healthy lifestyle. Below is a brief description of each plan.

## Highmark PPO Blue Sharing \$1,500

The Highmark PPO Blue Sharing \$1,500 plan is a Preferred Provider Organization, or PPO for short. With the PPO plan, both you and your family can see any health care provider that participates with in the Highmark network, including specialists, without a referral. You are not required to choose a primary care physician.

While you have the freedom to seek care from any provider in or out-of-network, we encourage you to seek care from Highmark providers. Highmark providers have agreed to pre-negotiated rates and the plan pays a higher percentage of the cost of network providers. If you choose to seek care from a provider that is out-of-network, you will pay a greater percentage of the costs, plus you will be responsible for any charges that exceed the reasonable and customary amount as determined by Highmark.

## Highmark PPO Blue Healthy Savings \$2,000

The Highmark PPO Blue Healthy Savings \$2,000 Plan is a High Deductible Health Plan, or a HDHP for short. This plan functions like a Preferred Provider Organization (PPO), but features a lower monthly premium in exchange for a higher deductible. Another benefit of this plan is that you will be eligible to enroll in and contribute to a Health Savings Account (HSA). With an HSA your contributions are pre-tax so any amount you contribute is deducted from your taxable income at the end of the year. The money in your HSA can be spent on eligible healthcare expenses including copays, prescriptions, dental treatment, and more.

As with a PPO, both you and your family can see any health care provider in the Highmark network, including specialists, without a referral. You are not required to choose a primary care physician.

We encourage you to download the Highmark mobile app and put all your plan information in the palm of your hand. The app will allow you to access your virtual ID card, locate in network providers, compare cost for procedures, view recent claim information and much more. The app is free and available for iOS and Android.

## FREE Patient Advocate Services through ConnectCare3

ConnectCare3 is a **FREE** and confidential service provided by Messiah Lifeways. They offer independent, third-party patient advocate services for simple to severe illnesses and wellness culture change to help prevent chronic health conditions.

Here are just a few of the things they can do for you or your family member:

- Help you understand your diagnosis and treatment options
- Locate expert physicians and hospitals for your specific illness
- Identify multiple options for what you need most, including Centers of Excellence and specialized treatments to help you make the most informed decisions
- Assist with any medical or behavioral health conditions, not just critical ones
- Attend physician and hospital appointments with you as needed

Contact a Patient Advocate at 1-877-223-2350 who will put you in direct contact with a Nurse Navigator. The Nurse Navigator will help you and your family develop an appropriate healthcare strategy for your health problem.

# Prescription Coverage

Your prescription drug benefit is part of your Medical plan and is based on a three-tier drug system. Copayment and/or coinsurance is determined by the tier to which the **Highmark Comprehensive Formulary** has assigned the Prescription Drug Product. All Prescription Drug Products on the Prescription Drug List are assigned as one of the three tiers. Find individualized information on your benefit coverage, determine tier status, check the status of claims and search for network pharmacies by logging on to [www.highmarkblueshield.com](http://www.highmarkblueshield.com) or by calling 1-800-485-2889.

## Medicare Part D

The prescription drug benefit is creditable coverage. Medicare-eligible participants need not enroll in a separate Medicare D drug plan.

	Highmark PPO Blue Sharing \$1,500	Highmark PPO Blue Healthy Savings \$2,000
<b>Prescription Deductible</b>	None	Combined with Medical
<b>Retail - 34-day supply</b>

Non Formulary	50% coinsurance	Deductible, then 50% coins

*This summary is for informational purposes only. For specific benefit information, please refer to the applicable Insurance Contract.*

## Save money with Generic Drugs

Generic drugs are made with the same active ingredients and produce the same effects in the body as their brand-name equivalents. That's because they're held to the same federal standards for safety and performance as the brand names. Because they're not branded, generics can sell for 30 percent to 80 percent less than their brand-name equivalents.

## GoodRx Mobile App

Regardless of which plan you decide to enroll in, we encourage you to download and use the GoodRx Mobile App to help you save on your prescription drug costs. Prices for prescription drugs vary widely between pharmacies. The cost of a prescription may differ by more than \$100 between two pharmacies across the street from each other.

GoodRx doesn't sell the medications, they will tell you where you can get the best deal on them. GoodRx will show you prices, coupons, discounts and savings tips for your prescription at pharmacies near you.

# Health Savings Accounts

## Only Highmark PPO Blue Healthy Savings \$2,000 Plan Participants are Eligible

If you enroll in the **Highmark PPO Blue Healthy Savings \$2,000 Plan**, a Health Savings Account (HSA) **will be opened for you through HealthEquity**. HSAs are financial accounts that you can use to accumulate tax-free funds to pay for qualified health care expenses, as defined by the Internal Revenue Service.

The account acts like a regular savings account with a debit card and accrues interest. The money in the account is owned by you and is fully portable. Funds can accumulate over time and roll over each year. If you use the funds for qualified health care expenses, you will pay no taxes. If you use the money for other expenses, you will pay a tax and a penalty fee.

### How you save with an HSA

As an HSA user, you will save in several ways:

- HSA contributions are not taxed
- You earn tax-free interest on HSA balances
- HSA funds used for qualified medical expenses are not taxed

### HSA funds remain yours to grow

With an HSA, you own the account and all contributions. Unlike flexible spending accounts (FSAs), the entire HSA balance rolls over each year and remains yours even if you change health plans, retire or leave the company.

### Supplement your retirement

Once your HSA balance reaches \$2,000, you may invest your funds for increased earning potential that is also tax-free. After age 65, you can use your HSA much like a 401(k) and withdraw funds for any purpose. Qualified medical expenditures remain tax-free even into retirement.

### You can win with an HSA

Regardless of your personal medical situation, an HSA can empower you to maximize savings while building a reserve for the future.

### Messiah Lifeways' Contribution to your HSA:

To help you get started on saving on eligible medical expenses, **Messiah Lifeways will contribute \$15 for individuals or \$30 for families on a biweekly basis** to your Health Savings Account.

### Use your HSA for qualified medical expenses

HSA funds can be used for a variety of qualified medical, dental and vision expenses; for yourself, your spouse, and your qualified dependents. Eligible expenses include:

- Birth control
- Chiropractor
- Contact lenses
- Dental treatment
- Prescription eyeglasses
- Hearing aids
- Physical exams
- Prescriptions
- Stop-smoking programs
- Surgery (non-cosmetic)
- Therapy
- Over-the-Counter drugs
- Menstrual care products
- Personal Protective Equipment
- and more...

### 2022 HSA Annual Contribution Limits *(Total combined Employee and Employer contribution limit)*

**\$3,650** for individual coverage

**\$7,300** for all other coverage tiers

You can choose to contribute to your HSA on a before-tax basis, up to the IRS annual maximums. If you are or will be age 55 or over during the calendar year, you may also make a "catch-up" HSA contribution of an additional \$1,000 each year.

*Note: As a taxpayer, it is your responsibility to ensure that your HSA contributions do not exceed the maximum possible for your specific tax situation. Please consult your attorney, CPA or tax adviser about your specific tax situation before deferring monies to your Health Savings Account. The benefits of an HSA, who is qualified to have an HSA, etc. can be found in IRS Publication 969, beginning on page 2. <https://www.irs.gov/pub/irs-pdf/p969.pdf>*

## Out-of-Network Providers & Balance Billing

Under the Delta Dental PPO, the plan pays the same amount to out-of-network providers as it would for in-network providers. Please note that providers that do not participate with your insurance plan can “balance bill” you for any difference between their charge and what the plan pays. Therefore, using non-participating providers may result in significant patient liability.

# Vision Coverage

## Highmark Blue Shield Vision Plan

Messiah Lifeways will again provide a voluntary core vision benefit plan for the upcoming plan year beginning July 1st. The following chart shows the in-network and out-of-network benefits. Team members must regularly be scheduled to work at least 30 hours per week to be eligible.

# Flexible Spending Accounts

## Eligibility Based on Medical Plan Election

Flexible Spending Accounts (FSAs) offer another way to save money on health care and dependent care expenses. You may submit expenses incurred by any of your dependents, whether or not they are covered by the insurance plans you have through your employer. Team Members need not be enrolled in either medical plan to participate in FSAs.

If you enroll, you fund the accounts via a payroll deduction each pay period. The minimum contribution is \$10 per pay. Money that you contribute to your FSAs is not subject to social security taxes, federal, and in most cases, state income taxes.

Account	HSA Participants	Non-HSA Participants	How it works
Healthcare FSA	✗	✓	<b>Team member-funded.</b> Can use funds for all healthcare related expenses. Federal regulations do not allow participation in an HSA and this type of account.
Dependent Care FSA	✓	✓	<b>Team member-funded.</b> Can use funds for all dependent care related expenses such as day care, nursery school, or elder care.

HCFSFA Annual Contribution Limit:

**\$2,850**

### Health Care Flexible Spending Account (HCFSFA)

**Federal regulations do not allow participation in an HSA and this type of account.** Eligible health care expenses include many of the out-of-pocket expenses you pay to maintain your health and well-being. These include deductibles and coinsurance expenses not covered by your medical plan, expenses for glasses or contact lenses, and more.

DCFSA Annual Contribution Limit:

**\$5,000**

**Or \$2,500 if you are married and file a separate tax return.**

### Dependent Care Flexible Spending Account (DCFSA)

You may use pre-tax dollars from your DCFSA to pay expenses for care when the services enable you and your spouse to work outside of the home. These include expenses for the care of a dependent child, spouse or elderly parent inside your home. Also included are baby-sitters, nursery schools, and day care centers.

Only the portion of expenses which enable you to remain employed are eligible. Educational expenses are not eligible.

The FSA Plan Year is July 1st through June 30.  
FSA Open Enrollment is held annually in May.

### “Use it or Lose it”

If your eligible expenses turn out to be less than the amount contributed to your account, federal law requires the unused balance be forfeited (the “Use It or Lose It” rule). We encourage you to consider your expenses carefully before you decide how much to contribute to each Flexible Spending Account. You should not contribute more than you are reasonably certain to use.

## Changing Your Contribution Amount

Federal regulations prohibit you from changing your enrollment or the amount of your election during the plan year. You are only eligible to change your elections during the year if you have a life event status change. Only benefit changes consistent with the change in status are permitted. Life event status changes that may warrant a change in benefit elections are described on page 3 and 4 of this guide.

# Flexible Spending Accounts cont...

## Eligible Dependents

In regards to your Dependent Care FSA, the IRS defines an eligible dependent as:

- A child under the age of 13 and may be claimed as a deduction for personal exemption under Code Section 151(c).
- A spouse who is physically or mentally incapable of self-care.
- A disabled person who is physically or mentally incapable of self-care who you provide more than 50% support, and who qualifies as your dependent under Code Section 152.

### FSA Debit Card

An FSA debit card is provided to all HCFA participants and is available for Dependent Care participants upon request. The debit card is similar to a bank account debit card that allows you to remove funds from your FSA at a merchant payment terminal. By using the debit card to purchase eligible expenses, you avoid paying for a purchase with money out of your pocket. Remember, you still must keep your receipts even when you use the debit card. Periodically, the IRS requires proof of purchase.

For a list of expenses eligible for reimbursement under the FSA please visit [irs.gov](http://irs.gov).

# Basic Life and AD&D Insurance

## Basic Life Insurance

Life insurance provides financial protection for your family in the event of your death. Messiah Lifeways offers full-time team members life and accidental death and dismemberment insurance through Lincoln Financial with an issue amount of one times your annual salary rounded to the next higher \$1,000, up to a maximum of \$100,000. Messiah Lifeways covers the cost of this benefit.

Benefits will reduce to 55% at age 70 and terminate upon retirement.

**Plan Cost: 100% Employer Paid**

# Long-Term Disability

Long-Term Disability (LTD) insurance helps replace a portion of your income for an extended period of time. Eligibility for long-term benefits is generally defined as if, due to sickness, pregnancy or accidental injury, you are receiving appropriate care and treatment and are complying with the requirements of the treatment and you are unable to earn more than 80% of your predisability earnings at your own occupation for any employer in your local economy.

**Benefits Start After:** 90 days

**Benefit Amount:** 50% of your monthly salary to a maximum of \$6,000 per month

**Benefit Duration:** 24 months

 **Plan Cost: 100% Employer Paid**

## Pre-Existing Condition Limitations

The carrier will not pay benefits for any period of Disability caused or contributed to by, or resulting from, a Pre-existing Condition. A "Pre-existing Condition" means any Injury or Sickness for which you incurred expenses, received medical treatment, care or services including diagnostic measures, took prescribed drugs or medicines, or for which a reasonable person would have consulted a Physician within 3 months before your most recent effective date of insurance.

The Pre-existing Condition Limitation will apply to any added benefits or increases in benefits. This limitation will not apply to a period of Disability that begins after you are covered for at least 12 months after your most recent effective date of insurance, or the effective date of any added or increased benefits.

# Additional Benefits: Colonial Life

## Critical Illness Insurance

Critical Illness coverage from Colonial Life provides a lump-sum cash benefit to help cover the out-of-pocket expenses associated with critical illnesses. With the rising cost of healthcare, getting seriously ill could have a big impact on your finances. Critical illness coverage can help pay for bills and expenses that your health insurance plan doesn't cover.

Benefits are payable for critical illness and specified diseases directly to you unless you choose to sign them over to someone else.

## Accident Insurance

Colonial Life's Accident plan has many features, benefits and advantages that provide payment to you for a covered on- or off-the-job accident. Not every accident is a major event – many accidents can leave you injured with unexpected bills and costs even if you aren't hospitalized. This plan pays whether or not you are hospitalized or miss any work.

## Disability Insurance

Individual Disability coverage from Colonial Life provides a monthly cash benefit when you suffer a sickness or injury that leaves you totally disabled or partially disabled. Flexible design allows you to provide as much or as little protection as you need based upon your personal finances. Coverage is available for working spouses as well.

## Whole Life Insurance

One reason most people own life insurance is to replace income that would be lost with the death of a wage earner. The Colonial Life's Whole Insurance plan allows you to provide a death benefit and also build cash value with coverage that can continue beyond your working years. Coverage is available for immediate family members as well.

## 20 Year Term Insurance

Colonial Life's Term life insurance helps assure you that money won't be your family's major worry when you're gone. Term coverage is perfect for the individual who wants higher amounts of coverage for a set period of time.

## Hospital Indemnity

Cover expenses that your healthcare cannot. Group Medical Bridge, offers a customizable and flexible plan design that will help supplement your major medical plan offering. This coverage provides benefits that your employees can use to offset deductibles, co-pays, and out-of-pocket medical and non-medical expenses related to covered events that cause financial exposure, such as hospital confinement, outpatient surgical procedures, diagnostic procedures, etc.

**If you wish to get more detailed information for each plan and the costs, please contact Meridio at 1-833-518-8450.**

# 403(b) Retirement Account

Messiah Lifeways has established a Retirement Savings Plan, a 403(b) Voluntary Plan with Employer Match. Your contributions are matched by Messiah Lifeways in the 403(b) Voluntary Plan with Employer Match each pay cycle. You are responsible for the investment of these funds which help provide for your retirement.

<b>403(b) Voluntary Plan with Employer Match</b>	
<b>Eligibility</b>	You may join this plan upon date of hire. Part time team members are eligible for the matching contribution, if offered, upon completing one year of employment and working a minimum of 1000 hours.
<b>Vesting</b>	3 year cliff vesting: 0% vested in first 3 years 100% vested after 3 years. Credited with a year of service for vesting for each 12-month period, beginning with anniversary of hire date that team member is credited with 1,000 hours of service.
<b>Employer Contribution</b>	Messiah Lifeways may offer a discretionary match. Contact Human Resources to see if an employer match is offered at this time.
<b>Conditions</b> (to receive employer contributions)	You must contribute in order to receive the employer match.
<b>Contributions</b>	Contributions sent to record keeper immediately after each pay.
<b>Investment</b>	Team member directed. Your Retirement Savings Counselor can explain the investment options available and the provisions of any investment contract(s) that you may use for your retirement savings.

## Retirement Benefit

Vested balances in your retirement savings plans are available for distribution when you permanently leave Messiah Lifeways. Loans can be taken from vested balances subject to plan limitations and investments. Your plans permit a "hardship distribution" from your vested balances if you have an approved financial hardship for primary housing, education or medical needs. Upon eligibility to participate in the pension plan or upon request, team members will receive a summary plan description that describes the plan in more detail. Questions regarding the Messiah Lifeways 403(b) plan should be directed to the Human Resources Department.

## Retirement Options Coaching

Messiah Lifeways teaches us to embrace life and explore the possibilities, seek purpose and zest, and grow as individuals as we age. This is part of our mission for those we serve. We also want the same for team members nearing retirement. We appreciate your efforts, dedication and years of service, and would like to thank you by offering you a valuable gift as you write the next chapter of your life.

As a parting token of appreciation, this gift entitles you to participate in the Retirement Options Coaching (ROC) program. The program is designed for retirees and those nearing retirement to plan for the next phase of life by assessing, focusing, and guiding retirees through a Life Options Profile and concentrates on 6 key life arenas: Career & Work, Health & Wellness, Finance & Insurance, Family & Relationships, Leisure & Social, and Personal Development. Measuring the six areas will provide you with a personal, practical, and relevant self-portrait of one's lifestyle or need for change. It also offers insight on transitioning from one's current lifestyle to a new lifestyle in retirement.

### Full Participation in the ROC program includes:

- A 30-minute consultation to provide an overview of the program and its benefits
- The Life Options Profile™ (LOP) online evaluation and scoring
- A copy of the book, "What Color is Your Retirement?"
- Two 50 minute Coaching sessions, including interpretation of LOP results
- "Powerful Questions" exercise and take home "Client Exercises"

To activate your free enrollment, please contact Messiah Lifeways Coaching by calling 717-591-7225 or emailing [Coach@MessiahLifeways.org](mailto:Coach@MessiahLifeways.org).

Participants who wish to enroll must have retired within the last twelve months or are anticipating a retirement date within the next 18 months. The value of this program is \$159 and cannot be redeemed for cash, exchanged, resold or transferred to someone outside of the organization. You must be employed by Messiah Lifeways for 3 or more years to be eligible for this gift. For further eligibility requirements and terms of use, please contact Human Resources at 717-790-8228.

# Team Member Time-Off

Messiah Lifeways recognizes that team members have diverse needs for time off from work and, as such, has established this Paid Time Off (PTO) policy. The benefits of PTO are that it promotes a flexible approach to time off by combining vacation, holiday, and personal leave. In addition, full time team members have access to Short Term Leave (STL) to use when they are unable to work due to personal illness or doctor appointments. Team members are accountable and responsible for managing their own PTO and STL hours to allow for adequate reserves if there is a need to cover vacation, holidays, appointments, emergencies, illness or other situations that require time off from work.

## Paid Time Off (PTO)

### How is PTO Accumulated?

Accumulation of PTO is based on years of service and calculated as a percentage of regular and benefit hours paid. This means that team members accrue time off based on the hours they are paid, including overtime and paid time off. Upon hire, full time team members will receive the equivalent of 6 days PTO in their bank, and part time team members will receive the equivalent of 3 days PTO in their bank, based on their daily hours worked.

Full-time and part-time team members accumulate PTO beginning on the first day of employment. Team members are eligible to use PTO after the successful completion of the first 90 days of employment. Team members are not eligible to use more PTO hours than are accumulated. PTO can be taken off in full days or partial days, and all available PTO time must be used for any eligible absence before time is taken without pay.

Below is an example of the accumulation schedule based on years of service. PTO hours are used for holiday pay, but the chart below breaks out these days to help team members better understand and plan their PTO use. If a team member works on a holiday, this policy is flexible to allow these hours to be used on another day.

### How much PTO can I accumulate?

Team members may not carry over more than 240 PTO hours into the next fiscal year. Any PTO hours over 240 at the end of the fiscal year will be paid out at 100%.

### What happens to my PTO if I resign?

Accumulated and unused PTO hours will be paid upon resignation, provided proper notice of resignation is given and all scheduled hours are worked. Unscheduled PTO time will not be granted during the period of time between when the notice of resignation is given and the effective date of resignation.

Team members who terminate employment before completing their first 90-days are not eligible for payment of PTO hours. Unused PTO time will not be paid to a team member who abandons his/her job, is terminated for misconduct or who fails to be in good standing, which will be determined at the sole discretion of management.

## Short Term Leave (STL)

Short Term Leave (STL) is a disability program to provide continued income to team members who miss work due to their own illness or disability.

### How is STL Accumulated?

Full-time team members accumulate Short Term Leave (STL) at the rate of .0270 per hour accrued from the first day of full-time employment. This is the equivalent of approximately seven (7) days per year when regularly working full-time. Part time and per diem team members do not accrue STL.

Full-time team members are eligible to use STL after the successful completion of their first 90-days. Absences must be reported according to the guidelines established in the Scheduling/Attendance Policy in order to qualify for use of STL.

You are not eligible to use more STL hours than are accumulated. Time off can be taken in full or partial days. All available STL time must be used for any eligible absence before time is taken without pay.

PTO or accrued STL can be used for personal illness or doctors appointments of a team member. Should the team member not be eligible or have insufficient STL the team member must use PTO for time missed from work due to personal illness. PTO is to be used for absences for the illness or doctors appointments of a family member. STL will be used for personal illness first and once exhausted PTO will be used to cover hours missed due to the team members' illness or doctors appointments.

### How much STL can I accumulate?

Team members may not carry over more than 480 STL hours into the next fiscal year. Any STL hours over 480 at the end of the fiscal year will be paid out at 100%.

### What happens to my STL if I resign?

Accumulated and unused STL hours in excess of 480 hours will be paid only upon resignation, provided proper notice of resignation is given as outlined in your terms of employment. No payment of STL hours of 480 and less will be made upon the termination of employment, regardless of reason.

No STL hours can be used during the period of time between when the notice of resignation is given and the effective date of resignation. Unused STL hours, regardless of the amount of accrual, will not be paid to a team member who abandons his/her job, who fails to give proper notice, or who is involuntarily terminated, or terminates not within good standings.

## Holidays

Messiah Lifeways recognizes the following days as holidays.

- New Year’s Day
- Memorial Day
- Independence Day
- Labor Day
- Thanksgiving Day
- Christmas Day

We observe the holiday on the nationally recognized day. For team members working a Monday through Friday schedule, holidays that fall on a Saturday will be observed on the preceding Friday, while holidays that fall on a Sunday will be observed on the following Monday.

PTO hours are used for holiday pay for regular full-time and part-time team members. It is your responsibility to be sure there are adequate hours available to cover the holiday pay. If there are not enough hours available for the holiday, the day will be without pay.

All non-exempt team members scheduled to work on the actual date of Messiah Lifeways’ six (6) recognized holidays plus Easter Sunday will receive 1½ times the regular rate of pay for actual hours worked on the 24 hours of that holiday.

# Annual Notices

## Health Insurance Portability and Accountability Act (HIPAA)

For purposes of the health benefits offered under the Plan, the Plan uses and discloses health information about you and any covered dependents only as needed to administer the Plan. To protect the privacy of health information, access to your health information is limited to such purposes. The health plan options offered under the Plan will comply with the applicable health information privacy requirements of federal Regulations issued by the Department of Health and Human Services. The Plan's privacy policies are described in more detail in the Plan's Notice of Health Information Privacy Practices or Privacy Notice. Plan participants in the Company-sponsored health and welfare benefit plan are reminded that the Company's Notice of Privacy Practices may be obtained by submitting a written request to the Human Resources Department. For any insured health coverage, the insurance issuer is responsible for providing its own Privacy Notice, so you should contact the insurer if you need a copy of the insurer's Privacy Notice.

## Newborns' and Mothers' Health Protection Act

Group health plans and health issuers generally may not, under federal law, restrict benefits for any hospital length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery, or less than 96 hours following a cesarean section. However, federal law generally does not prohibit the mother's or newborn's attending provider, after consulting with the mother, from discharging the mother or her newborn earlier than 48 hours (or 96 hours as applicable). In any case, plans and issuers may not, under federal law, require that a provider obtain authorization from the plan or issuer for prescribing a length of stay not in excess of 48 hours (or 96 hours if applicable).

## Notice Regarding Special Enrollment

If you are waiving enrollment in the Medical plan for yourself or your dependents (including your spouse) because of other health insurance coverage, you may in the future be able to enroll yourself or your dependents in the Medical plan, provided that you request enrollment within 30 days after your other coverage ends. In addition, if you have a new dependent as a result of marriage, birth, adoption, or placement for adoption, you may be able to enroll yourself and your dependents provided that you request enrollment within 30 days after the marriage, birth, adoption, or placement for adoption.

## States with Individual Mandate

Taxpayers in CA, DC, MA, NJ, RI, and VT (this list is neither complete nor exhaustive) are reminded that your state imposes an individual mandate penalty (tax) should you, your spouse, and children choose to not have (and keep) medical/rx coverage for each tax year. Please consult your tax advisor for how a non-election for health coverage may affect your tax situation.

## Special Enrollment Rights CHIPRA – Children's Health Insurance Plan

You and your dependents who are eligible for coverage, but who have not enrolled, have the right to elect coverage during the plan year under two circumstances:

- You or your dependent's state Medicaid or CHIP (Children's Health Insurance Program) coverage terminated because you ceased to be eligible.
- You become eligible for a CHIP premium assistance subsidy under state Medicaid or CHIP (Children's Health Insurance Program).
- You must request special enrollment within 60 days of the loss of coverage and/or within 60 days of when eligibility is determined for the premium subsidy.

## Genetic Nondiscrimination

The Genetic Nondiscrimination Act of 2008 (GINA) prohibits employers and other entities covered by GINA Title II from requesting, or requiring, genetic information of an individual or family member of the individual, except as specifically allowed by this law. To comply with this law, the Company asks Employees not to provide any genetic information when providing or responding to a request for medical information. Genetic information, as defined by GINA, includes an individual's family medical history, the results of an individual's or family member's genetic tests, the fact that an individual or an individual's family member sought or received genetic services, and genetic information of a fetus carried by an individual or an individual's family member or an embryo lawfully held by an individual or family member receiving assistive reproductive services.

## Qualified Medical Child Support Order

QMCSO is a medical child support order issued under State law that creates or recognizes the existence of an "alternate recipient's" right to receive benefits for which a participant or beneficiary is eligible under a group health plan. An "alternate recipient" is any child of a participant (including a child adopted by or placed for adoption with a participant in a group health plan) who is recognized under a medical child support order as having a right to enrollment under a group health plan with respect to such participant. Upon receipt, the administrator of a group health plan is required to determine, within a reasonable period of time, whether a medical child support order is qualified, and to administer benefits in accordance with the applicable terms of each order that is qualified. In the event you are served with a notice to provide medical coverage for a dependent child as the result of a legal determination, you may obtain information from your employer on the rules for seeking to enact such coverage. These rules are provided at no cost to you and may be requested from your employer at any time.

## Notice of Required Coverage Following Mastectomies

In compliance with the Women's Health and Cancer Rights Act of 1998, the plan provides the following benefits to all participants who elect breast reconstruction in connection with a mastectomy, to the extent that the benefits otherwise meet the requirements for coverage under the plan:

- reconstruction of the breast on which the mastectomy has been performed;
- surgery and reconstruction of the other breast to produce a symmetrical appearance; and
- coverage for prostheses and physical complications of all stages of the mastectomy, including lymphedemas. The benefits shall be provided in a manner determined in consultation with the attending physician and the patient. Plan terms such as deductibles or coinsurance apply to these benefits

## Women's Preventive Health Benefits

The following women's health services are considered preventive. These services generally will be covered at no cost share, when provided in network:

- Well-woman visits (annually and now including prenatal visits)
- Screening for gestational diabetes
- Human papilloma virus (HPV) DNA testing
- Counseling for sexually transmitted infections
- Counseling and screening for human immunodeficiency virus (HIV)
- Screening and counseling for interpersonal and domestic violence
- Breast-feeding support, supplies and counseling
- Generic formulary contraceptives are covered without member cost-share (for example, no copayment). Certain religious organizations or religious employers may be exempt from offering contraceptive services.

## Uniformed Services Employment and Reemployment Rights Act (USERRA)

If you leave your job to perform military service, you have the right to elect to continue your existing employer-based health plan coverage for you and your dependents (including spouse) for up to 24 months while in the military. Even if you do not elect to continue coverage during your military service, you have the right to be reinstated in your employer's health plan when you are reemployed, generally without any waiting periods or exclusions for pre-existing conditions except for service-connected injuries or illnesses.

## Mental Health Parity and Addiction Equity Act of 2008

This act expands the mental health parity requirements in the Employee Retirement Income Security Act, the Internal Revenue Code and the Public Health Services Act by imposing new mandates on group health plans that provide both medical and surgical benefits and mental health or substance abuse disorder benefits. Among the new requirements, such plans (or the health insurance coverage offered in connection with such plans) must ensure that: the financial requirements applicable to mental health or substance abuse disorder benefits are no more restrictive than the predominant financial requirements applied to substantially all medical and surgical benefits covered by the plan (or coverage), and there are no separate cost sharing requirements that are applicable only with respect to mental health or substance abuse disorder benefits.

## COBRA

Under the Consolidated Omnibus Budget Reconciliation Act (COBRA) of 1985, COBRA qualified beneficiaries (QBs) generally are eligible for group coverage during a maximum of 18 months for qualifying events due to employment termination or reduction of hours of work. Certain qualifying events, or a second qualifying event during the initial period of coverage, may permit a beneficiary to receive a maximum of 36 months of coverage.

COBRA coverage is not extended for those terminated for gross misconduct. Upon termination, or other COBRA qualifying event, the former employee and any other QBs will receive COBRA enrollment information.

Qualifying events for employees include voluntary/involuntary termination of employment, and the reduction in the number of hours of employment. Qualifying events for spouses or dependent children include those events above, plus, the covered employee becoming entitled to Medicare; divorce or legal separation of the covered employee; death of the covered employee; and the loss of dependent status under the plan rules.

If a QB chooses to continue group benefits under COBRA, they must complete an enrollment form and return it to the Plan Administrator with the appropriate premium due. Upon receipt of premium payment and enrollment form, the coverage will be reinstated. Thereafter, premiums are due on the 1st of the month. If premium payments are not received in a timely manner, Federal law stipulates that your coverage will be canceled after a 30-day grace period. If you have any questions about COBRA or the Plan, please contact the Plan Administrator.

Please note, if the terms of the Plan and any response you receive from the Plan Administrator's representatives conflict, the Plan document will control.

# Health Insurance Marketplace

The Patient Protection Affordability Care Act ("PPACA") was signed into law on March 23, 2010. Under PPACA, individuals are required to have creditable health insurance coverage or pay a penalty to the Internal Revenue Service. This is known as the Individual Mandate. For more information on the details of PPACA please visit

<https://www.dol.gov/agencies/ebsa/laws-and-regulations/laws/affordable-care-act/for-workers-and-families>.

PPACA created a new way to buy health insurance which is called the Health Insurance Marketplace ("Marketplace"), also known as Exchanges. These Marketplaces are established by each individual state, the federal government or as a partnership between the state and the federal government. Through the Marketplaces, individuals can compare and purchase coverage (with a possible premium subsidy for those qualifying as low income; subsidies are made available as a federal tax credit through the Marketplace for individuals that are not eligible for coverage through their employer.

If you are enrolled in the Company's medical plan, then PPACA may have little effect on you. The Company's medical plans meet or exceed the minimum coverage requirements set by PPACA. If you are eligible for our plans, you will not be eligible for federal tax credits. You still have the option to visit the Marketplace to see the coverage options available. If you purchase a health plan through the Marketplace instead of purchasing health coverage offered by the Company, you will lose any contribution your employer makes for your health coverage, and your payments for coverage through the Marketplace will be made on an after-tax basis. (See <https://www.healthcare.gov/have-job-based-coverage/>).

If you are not eligible to enroll in the Company's medical plan, you may have a few options to purchase medical coverage. These options, if applicable, may include but are not limited to: your spouse's medical plan, your parent's medical insurance plan (if you are under age 26), or from several insurance companies offered through the Marketplace. If you shop for coverage through the Marketplace, you may be eligible for a federal tax credit and/or subsidy if you qualify as low income. (See also: [healthcare.gov](http://healthcare.gov)).
