Learn something new with Pathways Institute for Lifelong Learning®

Registration is open for the Spring term of Pathways Institute—a great opportunity to continue learning! More than 30 courses are available for a small cost, ranging in topic from an introduction to pickleball, to flower arranging, a hands-on equine course, excursions, and more.

Plus, if you're new to Pathways Institute, you can register as a new participant "non-member" and receive your first class for free. [Click here](#) to view the course catalog and register.

A Few Reminders

As the winter weather continues, we'd like to remind everyone that unexpected closures of the center due to inclement weather could happen. In the event of a closure, it will be posted on the local news stations as "Cumberland County Senior Centers," and we will send out an automated call to all members.

We ask that everyone contact the office by 12:00 noon the preceding day (Friday at 12:00 noon for Monday orders) to order lunch for the next day. Please be sure to indicate if you will be eating in or would like your meal to go. If you would like to hand in your lunch calendar to Erin monthly, that is also welcome.

The Cumberland County Department of Aging (CCOA) takes on the responsibility of paying \$5.85 for every meal served at Cumberland County Senior Centers. We politely ask that everyone contribute a \$3 donation per meal they eat at the center or pick up to go. This is not mandatory, but it does help give some money back to the county who helps to keep the centers running.

West Shore Senior Center has a web page!

You can download the monthly newsletter, calendar of events, and menu from this webpage. We will do our best to make updates as we have changes that occasionally happen.
